

2019 Old Bird Season

Miami

118 Birds, 9 Lofts

What a crazy week it's been. Our driver decided he was over hauling our birds with one race to go. After spending some time looking for a drive John stepped up and drove the birds to our final race. The birds were originally scheduled to be released at Miami Arizona, but due to bad weather the birds were brought back a few miles. The race turned out to be a tough one and a fitting end to our race season.

Sam started the season off with a win and ended the season with a win. Sam had four birds on the drop. The first bird through the trap was 2018 MHL 582 a blue bar splash cock known as Little Alan. Little Alan won the first race of the season from Castaic lake as well. What a great bird all the way around. He's nestmate MHL 617 also won this year from Gila Bend. Little Alan is out of two ganus birds purchased by Sam. The father is inbred Golden Mattens and the mother is down from Super 46 and Ornat. Great family of birds. Congrats on the win Sam.
